

Are you interested in marketing & branding in a business context?

Who we are

Kinetik Solutions is a UK-based consultancy firm that delivers business transformation, process excellence, and change management in operational settings. More details about the company can be found at www.kinetik.uk.com

We work with FTSE 350 clients from diverse sectors, such as: consumer, business-to-business services, automotive, manufacturing, public sector, and health. Our past clients include Nations Trust Bank (Sri Lanka), Hertz, EMI Music, ADP and the Office for National Statistics.

The Role – Marketing & Branding Intern (Paid)

The role requires building relationships to sell Kinetik Products and Services including our training courses and other products. You will be able to improve our branding across all channels and copyediting of our marketing material. You will be someone who can learn quickly, has passion for digital marketing, can build relationships quickly, and is professional. You will be able to work seamlessly with our existing social media team.

The commitment is anticipated to be around 10 hours per month. This is a remote working post. We use the [sender](#) product for direct marketing. If you would like more information regarding the role, you can contact Kruti Varia on bebetter@kinetik.uk.com.

Requirements

The successful applicant should be available to start immediately and:

- ◆ Have a strong interest in creditable marketing & branding and have understanding how it can help businesses and customers
- ◆ Excellent written English
- ◆ Ideally pursuing a masters degree in Business, Marketing, or related subjects
- ◆ Have a minimum of 1 year work experience
- ◆ Owns computer and phone and have internet access
- ◆ Is a UK citizen or with the right to work in the UK

If interested please send your CV with cover letter at bebetter@kinetik.uk.com, clearly stating the job title on the subject line.
